Managed and Operated by
OCEANROAMERS SUDAN

Welcome on board...

MSY Freedom is the 1st choice live-aboard classic motor sailing yacht out of Port Sudan - Sudan, especially for smaller groups of up to 12 customers. An authentic classic German "Ketch", this boat definitely has the most character and style in The Red Sea and certainly stands out from its younger colleagues. The yacht features several outdoor areas with their own atmosphere.

The MSY Freedom was built in 1951 from the famous Burmeister shipyard - Bremen/Germany. The interesting story is difficult to trace back but she started her seafaring years under the name "NordFjord", she cruised the Caribbean, the American coastline, the Adriatic Sea and finally came to Sudan in 2003. As a classical yacht she boasts to be composed of very durable components and was originally built to withstand the frequent North Sea storms.

Let us transport you back to the 1950's where style and individual needs prevailed. Each cabin onboard the MSY Freedom is unique and fits the needs of singles, couples, backpackers and honeymooners alike. If you choose to either join for: a Day (dive or snorkel) trip, an overnight stay, private charter or a week (or more) live-aboard diving trip you'll be sure to receive the best service and quality we can muster. This is our commitment to you!
